DERMAPOL AS NOME COLORE SBAGLIATO??

*GREEN TAG E' UN MARCHIO CHE DERMACOLOR APPLICA ALLA GAMMA DEI PRODOTTI CHE SODDISFANO LE PIU' RESTRITTIVE "CHEMICALS REQUIREMENT" OGGI PREVISTE DAI CAPITOLATI DEDICATI AI PRODOTTI CHIMICI. IL MARCHIO GREEN TAG NASCE DALL'ESIGENZA DI INFORMARE RAPIDAMENTE IL CONCIATORE SUL CORRETTO USO DELLE FORMULAZIONI SENZA RISCHIARE DI ANDARE OLTRE I LIMITI PREVISTI DALLA LEGGE. IL 99% DELLA GAMMA DEI PRODOTTI DERMACOLOR E' STATA INTERAMENTE CLASSIFICATA ANCHE IN BASE AI PARAMETRI (MRLS) AI FINI DI UNA CONCIA SOSTENIBILE.

*GREEN TAG IS A BRAND THAT DERMACOLOR APPLIES TO THE RANGE OF PRODUCTS THAT SATISFY THE MORE RESTRICTIVE "CHEMICALS REQUIREMENT" TODAY EXPECTED FROM THE SPECIFICATION FOR CHEMICALS. THE GREEN TAG BRAND ARISES FROM THE NEED OF INFORMING QUICKLY THE TANNER ON THE CORRECT USE OF FORMULATIONS WITHOUT RISKING TO GO BEYOND THE LAW LIMITS. THE 99% OF THE RANGE OF DERMACOLOR PRODUCTS WAS ALL CHECKED ACCORDING TO THE STANDARDS (MRLS) IN ORDER TO HAVE AN ECO-FRIENDLY TANNING.
