Applicazioni

MICROTEX ACRILATO 240 è stato sviluppato per fondi ad elevata copertura su pelli a pieno fiore e a fiore corretto. Le formulazioni basate su questo prodotto sono poco appiccicose ed hanno un buon comportamento alla stampa, anche ad elevata temperatura.

Main applications

MICROTEX ACRILATO 240 has been developed for high covering grounds on full grain and corrected grain leathers. Formulations based on this product are scarcely sticky and have good press performance, even at high temperatures.

KEEP FROM FREEZING - CAN BE STORED FOR 6 MONTHS BETWEEN +5 AND +35°C

This sheet is a synthetic illustration of the product to enable the user to employ it at the best. Properties and values are not, therefore, sales specifications.

Our application recommendation are in line with our present state of knowledge and they do not exempt the customer from performing his own tests to determine the suitability of the supplied products for the intended purposes. Application of the products lies outside the scope of our control and therefore comes within the customer's sphere or responsibility.

Expiry date refers to the product well closed in the original container, correctly stored. Some particularly sensitive products, when open, should be used rapidly.

Stir well before using the product, close tightly the container to preserve the properties.
