Applicazioni

MICROWAX 427 è una cera studiata per articoli pronto moda quali “Spazzolati” e “Dilucido”.

Per esaltarne le caratteristiche il prodotto deve essere applicato come ultimo passaggio e successivamente attivato previa rullatura o per semplice abrasione.

Main applications

MICROWAX 427 is a particular wax formulated for fashionable articles such as brushed-off and “dilucido”.

In order to enhance its features, this wax has to be applied as last step and then rolled or brushed to obtain outstanding results.

KEEP FROM FREEZING - CAN BE STORED FOR 6 MONTHS BETWEEN +5 AND +35°C

This sheet is a synthetic illustration of the product to enable the user to employ it at the best. Properties and values are not, therefore, sales specifications.

Our application recommendation are in line with our present state of knowledge and they do not exempt the customer from performing his own tests to determine the suitability of the supplied products for the intended purposes. Application of the products lies outside the scope of our control and therefore comes within the customer's sphere or responsibility.

Expiry date refers to the product well closed in the original container, correctly stored.

Some particularly sensitive products, when open, should be used rapidly.

Stir well before using the product, close tightly the container to preserve the properties.

Our technical service is at your disposal for any recommendation.
