Applicazioni

MICROTEX ACRILATO 220 è una resina acrilica particolarmente indicata per l'impregnazione di pelli a pieno fiore.

Si può utilizzare assieme ad un solvente idoneo, quale MICRODRIVER 1535.

Molto indicata per rifiniture naturali su pelli a pieno fiore o come legante.

Main applications

MICROTEX ACRILATO 220 is an acrylic resin particularly suitable for impregnating full grain leathers.

It can be used in combination with a suitable solvent, i.e. MICRODRIVER 1535.

Very suitable for natural finishings on full grain leathers or as a binder.

KEEP FROM FREEZING - CAN BE STORED FOR 6 MONTHS BETWEEN +5 AND +35°C
